## **RECOMMENDATIONS FOR THE GOSPEL NET**

*"The Gospel Net training course has been the foundation of my success as both an evangelist and pastor. It is a 'must have' course for any church or ministry that is serious about winning souls for Christ. It's simple yet deeply spiritual approach will expand the skills of the most seasoned soul-winner as well as equip the most inexperienced layperson to share the gospel with others. Annie's many years of experience and success in ministry, her deep love for God, and passion for lost souls makes this training program one of the best of its kind." **Wes Peppers, Outreach Coordinator, Amazing Facts Center for Evangelism***

*"I've tried to think of how to describe Annie. Insightful, compassionate, humorous, sensitive, bright, a person of conviction, a person of deep spirituality... she conjures up these adjectives and more. As a teacher, her class was always rated in the 'exceptional' category. People found a way of evangelism that reached their hearts and others." **Alan Parker, Professor of Religion, Southern University***

### **AWAKENING SPIRITUAL INTEREST**

#### ***Reaching a world that does not see their need***

*Awakening Spiritual Interest* will explore the very important topic of how to awaken an interest in the gospel. ## ***THE BREAKING POINT***

(13 class hours)

### **THE BREAKING POINT**

#### ***Bringing a wounded Savior to a broken world***

The earthly mission of Jesus should be the mission of every soul winner. We read that the Holy Spirit came upon Jesus to do five things: 1) heal the brokenhearted, 2) set the captives free, 3) recover sight to the blind, 4) set at liberty those who are bruised, and 5) preach the acceptable year of the Lord.

When the eyes are filled with tears, when the heart is seething with anger, it's often hard for people to study the Bible or pray with us. Great barriers separate them from God. Great fears and misconceptions rise up in their minds. Empty and alone, people run from God instead of running to Him. Have you experienced this? Have you wondered how to reach those who are angry, distant, afraid, or self-sufficient? Learn to share the often ignored message of a wounded Savior with a broken world. Pray with others when they are breaking under the load. Watch the Wonderful Counselor set people free from the shackles of fear, addiction, and pain.

- Instruction includes:
  - How to launch ministry, as Jesus did, to:
    - Heal the brokenhearted
    - Deliver the captives
